

## **Beneficiary Designation**

Joslin Diabetes Center may be named as a primary or contingent beneficiary to receive part or all of one or more of the following assets:

- Bank account
- Stock account
- IRA account
- Retirement account
- Life insurance policy
- Donor Advised account
- A home or other real estate

If you are interested in naming Joslin as a beneficiary or partial beneficiary of one or more of these assets, please contact us. We will provide you with the information necessary to make this type of gift, and ensure that we will be able process a claim in a timely manner and secure the gift when the time comes for Joslin to make a claim to the asset(s) you have provided.
